AMENDMENT

Assistant Commissioner of Patents

Washington, D.C. 20231

SIR:

Responsive to the Office Action mailed on August 8, 2002, please amend the above-identified application as follows:

IN THE CLAIMS

Claim 7 is canceled. Claims 8 and 9 are newly added. A clean version of new claims 8 and 9 is provided herewith in **Attachment A**.

REMARKS

Restriction has been required between claims 1 to 6, grouped as Group I, and claim 7, grouped as Group II. Applicant hereby elects Group I containing claims 1-6 and drawn to the method.

Claim 7 has been canceled and replaced by new claims 8 and 9. Claim 8 is a linking claim and thus should be examined along with claims 1-6 in accordance with the provisions of MPEP § 806.05(c). New claim 9 substantially corresponds to original claim 7 but now depends on new claim 8. If claim 8 is found to be allowable, claim 9 should be rejoined as a dependent claim.

Further and favorable action is respectfully solicited.

Respectfully submitted,

By: Ross F. Hunt, Jr.
